

## The Blue Bulletin

Dear Parents and Carers,

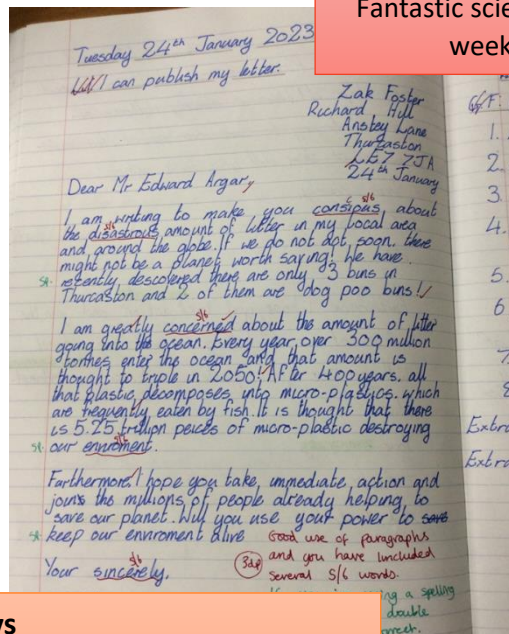

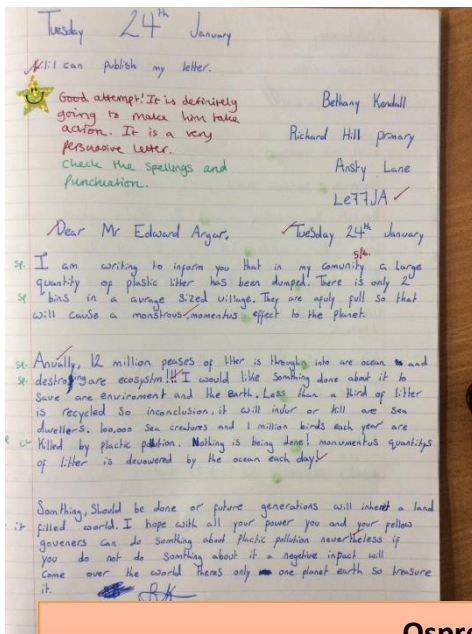

All the children have been working hard in their learning and I wanted to show you some of this in this week's Bulletin. Everyone in school has been finishing their letter writing and taking great care over these published pieces. There has been a range of wider curriculum learning in science, history and geography. We all hope you enjoy seeing some of the work.

Best Wishes, Mrs Applebee

### Red Kites

Fantastic science learning in year 6 over the last two weeks all about the heart and blood.

### Ospreys

In Osprey class we have been writing letters to our local MP about the issue of plastic pollution.

### Wrens

Wrens have been learning the story of Chicken Licken and working hard on their recall of the story to put it in order.

The Ravens have worked extremely hard on their letter writing skills. We have been working hard to improve our handwriting and Mrs Tack was very proud of how well the pupils challenged themselves and stayed focus on the independent writes.

### Robins

We have studied the Great Fire of London this week and the children have explored how and why the fire started and how the fire has impacted the world today. The children made connections to real situations too.

### Ravens

Find us at @RichardHillSch

## Dogs

Please can you remind your children to ask the owners permission before the pet the dogs at the bottom of the drive. Some are friendly and this is a wonderful interaction however we want to avoid any injuries! Can any parents and carers that are dog owners, who feel that their dog may find petting difficult, try to stand on the far side of the road opposite the drive. The pavements are narrow here and there is always traffic to be avoided at drop off and pick up times too.

Thank you for everyone's cooperation with this.
